INTERVIEW SUMMARY

Responsive to Paper No. 20060123, dated February 8, 2006, please accept the following statement regarding the substance of the telephonic interview between Examiner David E. Graybill and Alan T. McCollom, initiated by Applicant, Alan T. McCollom, on January 23, 2006.

The undersigned inquired about whether claims 11 and 12 should have been indicated to include allowable subject matter rather than to be allowed. The Examiner said that when dependent claims are indicated to be allowed, it is understood that they include patentable subject matter and would be allowed if rewritten in independent form.

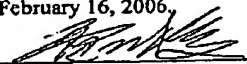

Applicant thanks the Examiner for this clarification.

Respectfully submitted,
MARGER JOHNSON & McCOLLOM, P.C.
